EDUCATION

B.E. (Information Technology)
Savitribai Phule Pune University
06/2020 - Present

Higher Secondary School (XII) Science
Maharastra state board
06/2018 - 03/2020   *percentage - 53%*

WORK EXPERIENCE

Data analyst intern
Trainity
03/2023 - 05/2023

Achievements/Tasks
- Analyzed business case studies and problems, applying metrics for efficient analytics presentation.
- Modeled and evaluated problem-solving strategies, completing daily tasks and modules.
- Learn how to clean and preprocess data by handling missing values, outliers, and formatting issues.

Web Developer intern
letsgrowmore
01/2023 - 02/2023

Achievements/Tasks
- Gain a strong foundation in HTML for structuring web content and CSS for styling and layout. Learn about responsive design to ensure websites work well on different devices and screen sizes.
- Master JavaScript, a versatile programming language used for adding interactivity and functionality to web pages. Familiarize yourself with libraries and frameworks like jQuery, React, or Angular, depending on the internship's requirements.
- Understand front-end development principles, including DOM manipulation, asynchronous programming (Promises, Async/Await), and handling user events.
